Dear Chris,

It is my pleasure to inform you that the International Metallographic Society and Buehler have selected your paper *Oxidation Behavior of Tungsten Carbide-6% Cobalt Cemented Carbide*, published in *Metallography, Microstructures & Analysis*, Volume 7, (2018), Pages 661-679, for the 2018 IMS-Buehler Technical Paper Award.

As the lead author and recipient of the IMS-Buehler Technical Paper award you will receive \_\_\_\_\_ and a plaque stating your achievement. We will provide framed certificates for co-authors. We would also like to thank you for your excellent contribution to our journal and making it a valuable tool for the materials science community.

The award will be announced at the ASM Leadership Awards Luncheon on Monday, September 30, 2019 in Portland, Oregon. The luncheon is part of the MS&T 2019 conference. For details about the MS&T meeting please go to: [www.matscitech.org](http://www.matscitech.org).

If you are planning to attend the meeting, please inform us so that we can be prepared to present your award in person. If you will not be attending the meeting, please send the address to which you would like to have the award sent. Also, if you do not plan to attend the conference and can send a photo to be displayed at the award presentation, please do so.

Congratulations!

A handwritten signature in black ink that reads 'Dr. M. Keeble'.

Dr Mike Keeble
